Response to Office Action

In response to the Office Action mailed October 7, 2003 applicant requests to restrict the invention to Group 1: Claims 9 and 10 drawn to a method of inhibiting the proliferation of malignant cells in the lungs. Accordingly, please cancel claims 11 through 14.

Applicant will file divisional patent applications for Group II and Group III.

Applicant has also enclosed a typed IDS page 2 of 2 which includes the dates of the US AMRIID white paper and U of Minnesota printout, which were omitted, as noted by examiner. The relevant application number, group art unit, and examiner information has also been updated on the IDS.

Applicant also respectfully requests the title of the invention be changed to "Inhalable Chemotherapy for Lung Neoplasms".

Very respectfully,

Mark Zamoyski
